THE VICE-CHANCELLOR

The Station Manager
CRTV, Buea

Dear Sir,

Radio Announcement

We would be grateful if you could make the following announcement several times over Radio Tibits, Luncheon Date and Torry Massa.

“The Vice-Chancellor of the University of Buea informs the general public that the Competitive Entrance Examination into the first year and fourth year of the Faculty of Engineering and Technology (FET) for the 2024/2025 Academic year has been launched and application forms are available on the UB website at: www.ubuea.cm

The Entrance Examination into the First year of FET is opened to Holders of any of the following qualifications:

1. GCE Advanced Level in at least 2 Science subjects including A/L mathematics
2. GCE Technical Advanced Level in relevant subjects
3. Bacalaureate C, D, E, E, F1,F2,F3, F4 or Breve de Technicien-BT(MISE, MAV, MEM) or other relevant Baccalaureate and BT.
4. Any other certificate (s) recognized as equivalent by the Ministry of Higher Education of Cameroon.

The Entrance Examination into the Fourth year of FET is **through the study of files** and it is opened to Holders of any of the following Certificates:

- ❖ B.Tech in (Computer Engineering, Electrical and Electronic Engineering & Mechanical Engineering) as well as B.Sc. in Computer Science.

The Entrance examination into the First year of FET is scheduled to take place on **19th September 2024** in the following four (04) Centres and Candidates should report to any examination centre of their choice, with their National ID Card or other Identification documents not later than 7:30 a.m.

1. In Buea, **University of Buea main campus**
2. In Bamedena, **University of Bamenda main campus**
3. In Yaounde, **Ecole Nationale Supérieure Polytechnique Yaounde**
4. In Douala, **Institut Universitaire De Technologie (I.U.T)**

The deadline for online registration at the University of Buea website www.ubuea.cm is **16th September 2024**.

FET offers a range of programmes which include: Civil and Architectural Engineering, Software Engineering, Computer Networks, Telecommunications, Power Systems Engineering, Mechanical and Industrial Engineering, and Chemical and Petroleum Engineering.”

Professor Ngomo Horace Manga
Vice-Chancellor
